

PYRAMID VALLEY

2011 Home Collection Lion's Tooth Chardonnay

100

"Estate-grown on an east-facing slope at Waikari, in North Canterbury, the memorable 2011 vintage (10/10) was fermented in a 50:50 split of clay amphorae and seasoned French oak barriques. Lemon-scented, it's a tight-knit, Chablis-like wine, very vibrant and crisp, showing excellent complexity and a real sense of intensity, vigour and immediacy. Best drinking 2015+."
